

Notice: To obtain a review of your project, you are required to provide all information requested on this form. Completion of this form is required for your request to be processed. Data collected will be added to the NHI database and will be provided to private businesses, developers, land use planners, land managers, and others in an effort to minimize impacts to endangered resources. Personal information collected will be used for administrative purposes, and may also be made available to requesters under Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.].

Wisconsin's Natural Heritage Inventory (NHI) consists of a combination of historic records and ongoing survey information on rare plants, animals, and natural communities in an integrated system of computer databases, maps, and paper files. The Bureau of Endangered Resources provides this information, along with project timing, location advice and survey recommendations for resource management activities.

Instructions: The following materials are required to process the request. Send to the address listed above.

- Letter formally requesting environmental review
- Completed, signed form
- **Map(s)** delineating the project area (preferably a USGS quadrangle map)
- Relevant attachments, e.g. point discharge information

Proposed Project Information

What is the proposed date you intend to begin work on the project?

Briefly describe the project and the type of disturbance associated with the project. For point source discharges into waterbodies please indicate the discharge location, nature of any increase in discharge, and the expected mixing zone. Attach additional pages as necessary.

Proposed Project Information (continued)

Briefly describe current land use and habitat types in the project area (i.e. 50% in row crops and 50% semi-open oak woods or project area entirely within active soybean field).

List any waterbodies such as rivers, intermittent streams, lakes, or wetlands that are within or near the project area. List any known or suspected impacts to these waterbodies as a result of the project.

List any reports that have been prepared to describe the habitat that will be affected by the project (i.e. wetland delineation, habitat reconnaissance surveys, rare species surveys, etc.).

List all other Endangered Resources / NHI reviews that have been submitted or conducted for a different phase, portion, or other alternative(s) relating to this project. List ER log # and date (i.e. 00-132 and 2/10/2002) or any other correspondence.

List all permits, licenses, or regulatory approvals you have or plan on applying for, or already have received as part of this project:

Applicant Certification

To the best of my knowledge the information above is complete and accurate. I understand that the specific location of endangered resources is sensitive information and will use the material provided solely for analysis and review of the above project. I agree not to include exact locations of endangered resources in any publicly disseminated documents. I agree to contact the Bureau prior to publishing any information provided by the Wisconsin Natural Heritage Inventory and to credit the Bureau of Endangered Resources as the source of the material.

I also agree to pay, within 30 days of receipt of NHI information, the fees charged by the Department. There is a charge of \$20/hour (with a minimum fee of \$60) for non-DNR requesters. [Refer to Chapter NR 29 Wisconsin Administrative Code for more information on the fee structure and billing exemptions.]
